WELCOME TO BA ENGLISH TUITION

Welcome to our BA English Tuition family! Whether your child is building their English foundations at Key Stage 3, navigating the crucial GCSE years, or tackling the challenges of A Level, we're here to guide them every step of the way. This booklet is packed with information about who we are, what we do, and how we can support your child to unlock their full potential in English.

At BA English Tuition, we are more than just tutors. We are Bradley and Jemma, two passionate educators with over 25 years of combined teaching experience.

Bradley Abrahams

With a background in senior leadership, including roles as Assistant and Deputy Headteacher, Bradley's expertise in GCSE English Language and Literature is unmatched. His students consistently achieved some of the highest English progress grades within the school settings that he has worked in.

Jemma Stanley

Former Head of English and an A Level English Language specialist, Jemma has led English departments to achieve exceptional results. Her innovative teaching style and deep understanding of English pedagogy make her a favourite among students.

We founded BA English Tuition because we believe every child deserves access to high-quality, personalised English support, be it in-person, online, in group sessions or working one-to-one.

WHY CHOOSE US?

At BA English Tuition, we bring the same energy, passion, and expertise that drove our outstanding success as teachers directly into our tuition sessions. We understand that every student is unique, which is why our approach is always tailored to meet individual needs. Whether it's building foundation skills at Key Stage 3, mastering exam techniques at GCSE, or excelling in A Level coursework, our sessions are designed to target the areas where students need the most support.

From analysing Shakespeare's *Macbeth* to crafting compelling English Language responses, we ensure every student not only achieves academic success but develops a lifelong appreciation for the power of English. With our proven track record of securing exceptional results, we're committed to helping your child thrive.

Our services offer something for every learner. One-to-one tuition provides personalised, focused sessions that adapt to your child's strengths and areas for improvement. For those who enjoy collaboration, our group sessions create a dynamic environment where students can share ideas and deepen their understanding of English texts.

Our mastery webinars focus on specific topics such as *An Inspector Calls*, the poetry cluster, or key skills for English Language. These webinars are packed with exam-style questions, strategies, and revision resources, including recordings to revisit as needed. For those who want an intensive boost, our school holiday group sessions provide targeted in-person tuition. Whatever your child's needs, we have the tools and expertise to guide them to success.

Part 4

SAFEGUARDING IS OUR PRIORITY

At BA English Tuition, safeguarding is at the heart of everything we do. We are committed to providing a safe, professional, and supportive learning environment for all of our students. This means that every tutor working with us holds an Enhanced DBS Check, ensuring they have undergone the highest level of background screening. Parents and students can have complete peace of mind knowing that lessons take place in a secure and well-regulated setting, whether online, in our dedicated learning space, or at a student's home.

We are also proud members of The Tutors' Association (TTA), the UK's only professional body representing private tutors. Our membership demonstrates our commitment to best practice, safeguarding, and continued professional development. The Tutors' Association sets high industry standards, and we uphold these by ensuring ongoing training, adherence to a strict code of conduct, and compliance with all safeguarding policies. In an unregulated tuition industry, we believe it is essential to align with a governing body that prioritises the safety and well-being of students above all else.

Transparency is key, and we want all parents and tutees to feel fully informed about how we operate. That's why our safeguarding policies, risk assessments, and code of conduct are available to view at the bottom of every page on our website. We encourage all families to familiarise themselves with these documents, as they outline our approach to student welfare, online safety, and professional conduct. Additionally, tutors conducting sessions in person follow strict home office tutoring risk assessment procedures, ensuring that lessons are delivered in safe and appropriate learning environments.

At BA English Tuition, we believe that the best learning happens when students feel comfortable, supported, and protected. We take this responsibility seriously and will always go above and beyond to maintain the highest safeguarding standards, allowing students to focus on what truly matters—achieving their full potential in English.
